

AG PLASTIC COLLECTION EVENT

EAST TERRA PLASTICS

APRIL 17TH & 18TH

9A – 3PM

East Terra Plastics will be collecting 5 gallon pesticide/fertilizer containers FREE of charge, at our Connersville facility. There is no limit to the number of containers you can bring.

- Containers MUST be rinsed clean of all liquids.
- Containers MUST be dry
- 5 gallon and smaller ONLY
- All containers must be made from the #2 (HDPE) plastic
- We can accept containers before or after this event, by appointment only. (317-675-9990)
- Containers not meeting clean requirement will be rejected

Collection event will take place at 725 W. 21st. Street Connersville, Indiana.

For any questions about this event, please email lawrence@east-terra.com

We hope to see you April 17th and 18th for the first Ag Plastic collection event of 2019!
